

HAVA & Houston MediaSource have teamed up to offer a great opportunity for Volunteer Administrators to get the word out for **FREE** about their volunteer program.

Join us on this special day and you'll be able to do the following:

- Tape a 10-15 second Public Service Announcement 'PSA' about your volunteer program or upcoming event. Think ahead about the points you want to get across. PSA will air on Houston MediaSource, Houston's public access channel. Cable channels: TimeWarner 17, TVMax 95 and Cebridge 98.
- Bring announcements to be read on the "PSA Dude." The PSA Dude is a 15-minute daily show that announces all kinds of fun, exciting things to do and see in Houston and the surrounding communities.
- Learn how Houston MediaSource can help your non-profit organization promote their mission or events.
